- Other

What is your favourite word? The word can be in any language(s).

- Do you use English words when you talk or write?
- Yes
 - No

If so, which ones? Write the words without thinking about whether they are correct or incorrect spelled.

When do you use the English words? You can tick off more than one box.

- When I talk to friends
- When I talk to my siblings
- When I write an SMS
- When I play video games
- When I chat
- More when I am writing
- More when I am talking
- Other

In Norwegian, we use many words in English. How do you feel about that?

- Very good
- Good
- Neither good nor bad
- Not good
- Bad

Please state why you feel like you feel towards the use of English words in Norwegian?

Optional:

Record a language sample on your mobile phone!

Ask the one you are interviewing how she or she would ask what tomorrow's home work is.
Record the question and upload the sound clip on www.forskningkampanjen.no.
