FACULTY OF HUMANITIES

Final Exam

NFI 1100: Runology – General Introduction

December 17th

The following dictionaries are allowed:

Modern language – English dictionaries/Ordbok mellom eit moderne språk og engelsk

All three questions must be answered, either in Norwegian/Swedish/Danish or English.

1. Describe the process of reading and interpreting runic inscriptions. Why is the context crucial for the understanding of runic inscriptions?

The objects below are meant to serve as a source of inspiration.

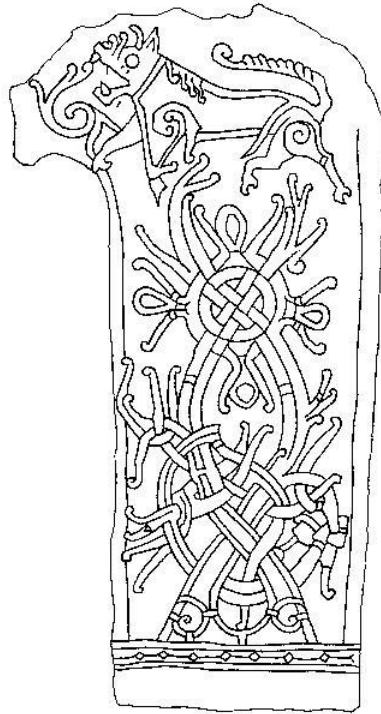

Beskriv prosessen for å lese og tolke runeinnskrifter. Hvorfor er kontekst viktig for å forstå runeinnskrifter?

Objektene nedenfor er ment å være en inspirasjonskilde.

2. Transliterate and translate the runic inscription. Interpret the runic inscription with a focus on artefact, characters, language, ornamentation, subject matter, function and dating.

Translitterer og oversett steinens innskrift. Tolk innskriften med vekt på gjenstand, tegninventar, språk, ornamentikk, innhold, funksjon og datering.
